PRODUCED BY

# PRESS KIT

JUNE 2024 | CHARLOTTE, NC

## our mission

The Fintech + Insurtech Generations Conference is dedicated to advancing the future of financial and insurance technology by bringing together industry leaders, innovators, and disruptors to share their insights, experiences, and visions for the future. Through engaging discussions, and networking opportunities, our mission is to inspire and empower attendees to drive positive change, embrace new technologies, and shape the evolution of the industry.

## 2024 theme

**AUTHENTECH**; the end of innovation theater  
In an era where innovation theater often obscures meaningful progress, we bring together industry leaders, visionaries, and disruptors to delve deep into the real innovations shaping the future of finance and insurance. Uncover the innovations that truly matter and set the course for a future built on trust, integrity, and cutting-edge technology.

June 12-13, 2024
